Subject: FW: CII-SKA Merit-cum-Means Scholarship for Undergraduate Students - 2019

Dear Vice Chancellor / Dean / HOD / Professor In-charge,

Surakshit Khadya Abhiyan (SKA) which, in English means "**Safe Food Mission for All**", which is aligned to Government's *Swachh Bharat Abhiyan*, was launched in 2015 by Shri Ram Vilas Paswan, Union Minister for Consumer Affairs, Govt. of India with the objective of promoting food safety in the country.

One of the initiatives of SKA is dedicated to building capacity of the students of food science towards securing the future of Food Safety globally. In this regard, three short-term courses in food safety areas have been designed and these have been forwarded by FSSAI to the Universities for introduction in their curriculum. Since Quiz contests are a fun way to sensitize and inculcate knowledge on Food Safety and Hygiene Practices, CII SKA conducted the Pan Asia Quiz Competition on Food Safety for under-graduate students of food technology / food safety / food microbiology / nutrition with the participation from 165 Colleges from 10 Countries resulting in a Grand Finale in December 2018.

The third initiative launched in 2018 was a **CII FACE – SKA Merit cum Means Scholarship Grant** for under-graduate students in areas of Food Technology / Microbiology / Nutrition and Home Science. The scholarship aimed to assist the highly needy, yet meritorious students who, due to lack of financial resources are not in a position to pursue food science education.

In the very first year of its launch, more than 500 applications were received from Food Colleges across the country. The initiative received an overwhelming response from stakeholders with financial support for the students. Based on their academic performance, family income and status of states they come from, 61 Students benefitted from the scholarship scheme with an amount of Rs. 25000 each. A Certificate of Scholarship has also be given to the selected students.

It gives me immense pleasure to inform that this year, CII – SKA would once again like to offer **CII FACE – SKA Merit cum Means Scholarship Grant** to under-graduate Indian students (B.Sc. / B.Tech.) of Food Technology / Food Microbiology / Nutrition / Home Science. Some of the **highlights** of the scheme are:

- (1) The scheme is open to fresh admissions as well as continuing students;
- (2) The scholarship amount covers tuition fees, hostel accommodation and related subsistence allowance;
- (3) The scholarship amount covers allowance for purchase of books and study material.

The following are the **deadlines** for submission of completed applications along with the Certificate from the Principal / Dean / HOD / Professor In-charge:

- (a) For Continuing Students – **15th August 2019**
- (b) For New Admissions – **15th September 2019**

I am pleased to enclose the **Scholarship Scheme** for further details. It can also be seen on our website www.cii-ska.in

We shall greatly appreciate if you could **kindly provide wide publicity** to this scheme so that the benefit can reach to meritorious students who are unable to meet their expenses on pursuing the course. Please encourage such students to apply. The application is to be submitted by the deadline by email to ska.scholarship@cii.in

In case you have any questions, kindly do not hesitate to contact me or Ms Anju Bist at anju.bist@cii.in

With kind regards,
